*Additional clinics will also be added in the future. Please check back or call our information line at **908-689-6000, ext 267!***

Why wait in line?

Decrease your waiting time at the flu vaccine clinic by reading the CDC's *Vaccine Information Statement* and by printing and completing your *CONSENT* form from this website. Bring the consent with you to the site.

Vaccine Cost: If you have Medicare **Part B**, the cost of the vaccine is free; otherwise it will be \$15.00. Please bring your Medicare cards.

Don't forget the Pneumococcal Vaccine! If you are age 65 or older and have not received this vaccine yet, we will have it available; please ask us. Medicare B will cover the cost of this one-time shot.
